

**PINS ON LURLINE**

---

## **Children's Policy**

Whilst you and your children are more than welcome, as a courtesy we need to make you aware that we do have a child policy in place;

- As a small restaurant, we have limited dining capacity. As a result, all guests regardless of age will be charged for our 6 course tasting menu at \$90p.p.
- We do not offer specific children's meals, however we can adapt our dishes to be more child friendly based on available seasonal ingredients
- Children must remain seated at all times. This is for the safety of all guests and our staff and to avoid disturbing the ambiance for other diners
- As we are a small restaurant, we do not have space in our dining room for prams and ask diners to leave them in our bar area
